

# DECEMBER 2019 NEWSLETTER

## TWICE BLESSED

Backpack Buddies is one of many programs chosen to be eligible for the Twice Blessed campaign. With special thanks to the team at Central Power and one of our board members for going above and beyond and personally matching donations himself, they were able to help us reach our \$5,000 goal! With the Twice Blessed match funds a grand total of \$10,000 means we can send home food with 1,000 local kids who are food insecure. Thank you for your support!

## HAPPY HOLIDAYS!

Rich, Kathy, Jalisa and the SVUW board would like to wish you a joyful holiday season and a happy New Year!

## WRAPPING PAPER

It is truly amazing what our community can accomplish in a short two weeks! Over 1,100 rolls of wrapping paper along with other gift wrapping essentials were donated in the first ever wrapping paper drive. Nine local agencies were thrilled to receive the donations with one saying that items like these are usually paid for out of their already limited supply of funds. We will be hosting this event again next year, so be sure to watch for Christmas paper to go on sale after the holidays!
