HOLE IN ONE CONTEST

Although the rain caused us to reschedule this fun, end of summer event, we had great community support! We had 65 people qualify and over 50 hours of volunteer support from local businesses and service groups. Congrats to the top three finalist, we hope to see you next year!

701 REALTY

Andrew and McKenna Gudmunson started 701 Realty knowing they wanted to give back to the community that was so supportive of them. For every real estate closing they complete, they donate a percentage of their commission to a charity of the buyer or seller's choice. They have donated over \$13,000 since April 2018 to over 20 different agencies including SVUW! Help us thank them for going out of their way to support our community!

SUCCULENT STROLL

If you were not able to attend this fun, crafty event, it was a great time! Attendees got to "stroll" around the mall building a succulent pot and were provided a drink from Mi Mexico to finish their project. Thanks to Dakota Square Mall for hosting this sold-out event to benefit local programs, they were able to raise \$1,500 that will make a huge impact in our community!
