

NOVEMBER 2019 NEWSLETTER

THE GIFT THAT GIVES

Looking for a gift for the person who has everything? Yes, we understand that people's cupboards might be overflowing with branded insulated mugs, however this one is a bit different. Thanks to a generous donation from Scheels and SignsToday, 100% of the proceeds of the sale of a mug is donated directly back to Backpack Buddies. Buy a cup, feed two children! It's the gift that keeps giving. Contact the SVUW office to purchase a mug before the holidays.

LIVE UNITED DAY

Thank you to our amazing community for the outstanding amount of support with each and everyone of you showing why you live united! There were over 380 t-shirts purchased this year with many more individuals wearing shirts from previous years. The random acts of kindness when no one is watching mean just as much!

IRA ROLLOVERS

Are you or a loved one at the age where you are mandated to take disbursements from an IRA and don't need the funds at this time or would like to avoid paying the tax on that money? Did you know you can donate those funds directly to the Souris Valley United Way by having your fiscal management company direct the funds to the United Way to help others in your area. Always be sure to contact your tax consultant or financial advisor to make sure this strategy is right for you.
